Re: Water Right Change Authorization Nos. CS4-01591CTCL & **CS4-00039CTCL**
Central Pre-Mix Concrete Company

Dear Ms. Cain:

Please consider this an **AMENDMENT** to (Department of Ecology's) Ecology's letter dated November 13, 2013, affirming an extension request to June 1, 2015 in the *Completion of Construction* stage. Per our conversation on November 25, 2013, with your representative, Adam Gravley, you are hereby granted an extension in both the *Completion of Construction* and the *Proof of Appropriation* stages for the reasons below:

- Permitting has been delayed.
- Financing is being secured.

The new deadline to submit your *Construction Notice* is **December 31, 2015**.
The new deadline to submit your *Proof of Appropriation* is **December 31, 2018**.

Ecology is also amending the statement in the letter dated November 13, 2013, regarding the inability to refund overpayment. Since an extension is requested for both the Completion of Construction and Proof of Appropriation stages, a refund is unnecessary. Therefore, Ecology will not apply the previous fees toward future extensions.
